 Commissioner for Patents  
 P.O. Box 1450  
 Alexandria, VA 22313-1450

Dear Sir:

Enclosed is an Information Disclosure Statement by Applicant (PTO/SB/08 equivalent) listing 211 references. Copies of all of the non-patent references are submitted herewith. Applicant understands that the Examiner will be able to analyze the patent references using an electronic database.

As noted in the specification, this application claims priority to two applications filed on December 1, 1992 (App. No. PCT/US92/10367) and December 18, 1991 (U.S. App. Serial No. 07/813,073). Other U.S. patent applications also claim priority to these earlier-filed applications, and some of these applications are included in the chain of priority of the above-captioned application. Several of these applications have issued as U.S. patents.

The owner of these patents, ICU Medical, Inc., has pursued infringers in two lawsuits: ICU Medical, Inc. v. B. Braun Medical, Inc., U.S. District Court for the Northern District of California, CV-01-3202 CRB (MFJ), and ICU Medical, Inc. v. Alaris Medical Systems, Inc., U.S. District Court for the Central District of California, CV-04-0689-AHS (VBKx). The courts have previously advised the U.S. Patent and Trademark Office of the filing of these lawsuits in accordance with 35 U.S.C. § 290.

Appl. No. : 10/630,131  
Filed : July 30, 2003

Docket No. ICUMM.011C8C5  
Customer No. 20,995

Neither of the lawsuits has proceeded to trial or final judgment. The parties have performed discovery, prepared expert reports, and filed briefs, declarations, and other evidence. The courts have issued various rulings, including rulings relating to claim construction, summary judgment motions on the issues of infringement, validity, and enforceability, and motions for a temporary restraining order and a preliminary injunction. Submitted herewith are copies of the courts' docket sheets for both of these lawsuits, as well as copies of various documents corresponding to certain entries on the docket sheets and other matters. If the Examiner believes that copies of any other documents relating to any other entries on the docket sheets or relating to any other issues should be provided, please advise the undersigned counsel.

This Information Disclosure Statement is being filed before the mailing date of a final action and before the mailing of a Notice of Allowance. This Statement is accompanied by the fee set forth in 37 C.F.R. § 1.17(p). The Commissioner is hereby authorized to charge any additional fees which may be required or to credit any overpayment to Account No. 11-1410.

Respectfully submitted,  
KNOBBE, MARTENS, OLSON & BEAR, LLP
